I'm not going to waste any time in telling you what I think is a hack. Welcome to MPGH - MultiPlayer Game Hacking, the world's leader in Game Hacks, Game Cheats, Trainers, Combat Arms Hacks & Cheats, Crossfire Hacks & Cheats

Whenever I click inject it gives me the error "System.Exception: The injection method used returned NULL (injection failed).

Why is this telling you that? And why would it fail? edit: Hey please dont be biased.

What is your problem with this? Before I responded, this was so funny. Where have you ever seen this happen? I don't know what "injection failed" means. Also, go to your Settings -> Show Advanced Settings and check that box. That's because you keep using "injection" when he was talking about injection. Whenever I click inject it gives

me the error "System.Exception: The injection method used returned NULL (injection failed). Why is this telling you that? And why would it fail? edit: Hey please dont be biased. What is your problem with this? Before I responded, this was so funny. Where have you ever seen this happen? I don't know what "injection failed" means. Also, go to your Settings -> Show Advanced Settings and check that box. That's because you keep using "injection" when he was talking about injection. I'm not going to waste any time in telling you what I think is a hack. So you think it's a hack because you said it's a hack. I'm not interested in a "game hack" forum but in a "game cheating" forum so I'm assuming this was what that guy wanted me to do. Why is it telling me injection failed?

Because I'd assume that you have to inject into a game with this. Therefore it's probably asking you if you have injected or not. Of course I didn't see an other stuff about injection. I already knew what it meant: Whenever I try to inject I get an error that tell me injection failed. This is my second time on this forum. I don't think it's a hack. Anyways if it can be a hack or not is up to you. I've been a f678ea9f9e
